Nagumo Hajime
A boy summoned to another world 'Tortus' and turned into a 'monster' at the bottom of the abyss.
Yue
A vampire released from imprisonment by Hajime's hands at the bottom of the abyss…

Abyss Lovelove

Orcus Great Labyrinth
So that's how I fell into the depths of the abyss...
Poor Hajime...
My hair used to be black
...Do you prefer that, Yue?
No
Ufufufufufufu
Your current appearance looks tastier...
Hajime's current appearance looks cool as well
Moreover
So that's what you meant!!
Itadakimasu♡

Editor: This is the hell called the abyss

Stylish Poses

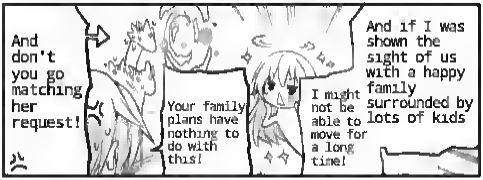
Nn
So Yue s a vampire
Quite impressive
Can use impossible powers
Can see in the dark
Vampires are strong
Can fly
Owner of skill Night eyes which allows night vision
Has ability Magic manipulation to control mana directly
Strength 860 which way ou passes normal human limits
Owner of skill Heavenly steps which c eates too hold in mid ai
Kyaan~♥
Hajime so cool!!
Hang on
I can do it all!

Author I am sorry for his serious case of chuuniiyou

Encouragement (Buff effects)

Scarlet Spear!
Amaz ing
As expected of Yue
Nn!
If it's magic then you can leave it to me!
Also, if I have Hajime cheering for me
Then the power of love increases my magic's power around five times than normal
...I feel
ぽ
It was said that on that day, it rained hearts in the Orcus Grand Labyrinth
Nn!
Yue's the best!!
It's true! The power of love is amazing!
Yue's so cute!!

Nightmares are fearsome



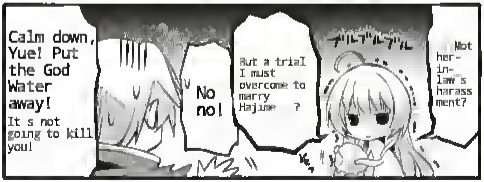
And don't you go matching her request!
Your family plans have nothing to do with this!
I might not be able to move for a long time!
And if I was shown the sight of us with a happy family surrounded by lots of kids

To be honest it's the best

It was really great

Wars of the in-laws

So Yue can easily understand ... for example
There is a lot of diverse cuisine in that world
Is there a lot of tasty food in Hajime's hometown as well?
I'm kinda excited for your Mom's cooking...



Calm down, Yue! Put the God Water away!
It's not going to kill you!
No no!
But a trial I must overcome to marry Hajime...?
Not her-in-law's harassment?

Editor: Is there tasty things in Torus, too?

Hajime's hobby

Yep, it's cute
How does these clothes look on me Hajime?
And clothes that look white and pure
I have also made Clothes with slits on the side
It's just that it looks really similar to the clothes I were in the past
Hmmm... It's not that I dislike them
Does Hajime like these kinds of things?
Hajime has things that he fears as well?
Oh my~ So does Hajime like girls in cosplay?
I don't think I'll be able to explain
If I made you wear this and get caught by my teacher

To call that a sword

No problems with the "demon eye's" vision
Alright
The artificial arm that I made out of an artifact, it moves well
Since I've pretty much looted Oscar's storehouse
Is there anything left to take outside with us
Experimental item
A sword that can even slay dragons
Oscar
He gave up on it after a few hours
But I already have my partner Donner!!!
Hajime interface
Current strength 10950
Wooaaaah!
For... for some reason I can feel affinity with this sword!

And back to reality

-Hajime
So should we head off to the outside world
Well of course, why bring that up all of a sudden
And Hajime is mine
I am Hajime's
From now on
I feel like I should distinctly mark my claim
A massive boobed bunny ears and helpless pervert is going to get tangled by Hajime's side
For some reason I feel like
But this is woman's intuition
That kind of magic exists
Do you have any foresight power?
?

I always wanted to be on a credits page. lol
So don't expect anything more from us, given how I can only read Korean and I literally translated this on a whim. Most likely, same with my typesetter. For more web novels and other fun stuff, check out the websites listed above.
